

# Material Safety Data Sheet

Reference: 1907/2006/EC, Article 31

Date of Issue: January 18, 2016

## Product Information

Supplier: Schenk Architectural Imports, Ltd.  
Address: #1 4415 61 Ave SE, Calgary, AB Canada T2C 1Z6  
Phone: 1.800.263.4606 (toll-free) / 1.403.279.7289 (local)  
Fax: 1.403.236.1838  
Tradename/Type: stijle™ by Schenk  
Description: Soho, Como, Como Select, Mesa, Mesa Select, Soma, & Plateau High Pressure Laminates.

## Hazards Identification

None.

## Information on Ingredients

Sheets consisting of layers of pulp fibrous material (normally paper) infused with thermosetting resins and bonded together by a pressure process.

## First Aid Measures

None.

## Fire Fighting Measures

Extinguishing media: Foam, CO<sub>2</sub>

## Accidental Release Measures

Not applicable.

## Handling and Storage

The product should be stored in dry places and it should not be exposed to sunlight.

## Exposure Controls/Personal Protection

None.

## Physical and Chemical Properties

Specific weight: 1.42 kg/dm<sup>3</sup>  
Calorific potential: 4,600 cal/g  
Thickness: from 0.6 mm to 22 mm

## Stability and Reactivity

The material is stable; no hazardous reactions known.

## Toxicological Information

None.

## Ecological Information

No environmental problems known.

## Disposal Considerations

Local laws must be observed.

# Material Safety Data Sheet

## Transport Information

Land (ADR): Non-hazardous material

Rail (RID): Non-hazardous material

Sea (IMO): Non-hazardous material

Air (ICAO/IATA): Non-hazardous material

## Regulatory Information

Classification according to EC guidelines.

Danger symbol and danger text not required.

## Additional Information

The information herein is given in good faith and regards exclusively the product examined. No warranty, expressed or implied is made. The manufacturer assumes no responsibility for damage/injury deriving from the improper use of the information herein given. Any use of these data and information must be determined by the user to be in accordance with applicable Federal, State and local laws and regulations.

## Provisional Note:

This Material Safety Data Sheet has been carefully drawn up to the best of our knowledge. We accept no liability for any mistakes, errors in standards or printing errors. In addition, technical modifications can result from the continuous further development, as well as from changes in standards and documents originating from statutory bodies. The content of this document should therefore not be considered as instructions for use or as legally binding.
