

STIJLE LASER EDGE BANDED COMPONENTS

5 YEAR CERTIFICATE OF WARRANTY

What this Warranty covers:

Schenk Architectural Imports Ltd. guarantees the product against delamination or surface discoloration for a period of FIVE (5) YEARS from the date of original installation. However, the costs of shipping the defective units to and from the manufacturer shall be paid for by the customer and shall not be borne by Schenk Architectural Imports Ltd. under any circumstances.

Note the replacement of new materials may result in a color variance in comparison to the originally installed panels due to slight color or texture changes by panel manufacturers and is not indicative of a defect. Schenk Architectural Imports Ltd. reserves the right to substitute such panels as are then being manufactured and is only obligated to match color and quality with such products as it is manufacturing at the time of replacement.

- Defects caused by misuse, abuse, negligence, alterations, improper storage and handling, or installation are not covered under this warranty.
- Defects resulting from any cause beyond reasonable control (ie. fire, flood, earthquake, other acts of nature, and acts of third parties) are not covered under this warranty.
